Go

4. List of active jobs will appear.  
Select button for position to terminate job record.  
If position does not show, Click All Jobs to view all jobs.  
Click Go.

5. If keyed prior to or same day of termination:

Effective date and Personnel date should be the last day worked.

If keyed after termination date:

Effective date should be last day of pay period and personnel date should be the last day worked.

Click Calender and Select Effective Date and Personnel Date of termination.

6. Click down arrow to either enter or select username for approval level of Department (approver).  
Click down arrow to either enter or select username for approval level of Payroll.  
Enter reason for termination of job record in the Comment Field.  
Click Save.

The screenshot shows a web form titled "Routing Queue". At the top, there are several input fields, including "User Name" and "Approval Level". Below these, there are dropdown menus for "Department" (selected as "HOLLAND - HOLLAND, CATHERINE") and "Approver". A "Comments" section is visible, featuring a text input field with the placeholder "Add Comment" and a character count "Remaining Characters: 1000". At the bottom right of the form is a prominent green "Save" button.

7. Select Submit to finish if change was saved successfully.  
Note: There will be an error message in red with details if your change did not Save or Submit successfully. Ignore ALL warning messages.
